TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Peterborough in the County
of Hillsborough in said State, Qualified to vote in Town
Affairs:

You are hereby notified to meet at the Town House in said town on Tuesday, the ninth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary for the maintenance of the Poor, for the laying out and repairing of Highways, and all other charges arising within the town, and appropriate the same.
3. To raise and appropriate such sums of money as may be necessary for the support of the Fire Department, the Public Library and for Memorial Day.
4. To see what sums of money the town will vote to raise and appropriate towards paying the town debt and interest.
5. To hear the reports of agents, auditors, committees or officers heretofore chosen, and to pass any vote relating thereto.
6. To see if the town will vote to instruct the Selectmen to appoint a police officer, or as many as may be necessary, to preserve order in and about the public places of the town, and to perform other duties as may be required by the Selectmen both day and night, and raise and appropriate money for the same.
7. To see if the town will vote to accept legacies and gifts given to the town in trust by any individual or individuals.
8. To see what sum of money, if any, the town will vote to raise and appropriate to defray the expenses of Old Home Week.

9. To see what sum of money the town will vote to raise and appropriate towards building the Contoocook Valley State Highway, and to accept Federal Aid.

10. To see if the town will vote to instruct the Selectmen to purchase and convey any property because of land or property damage in building Contoocook Valley Road, or take any action relating thereto.

11. To see what action the town will take relative to extending the town water system to South Peterborough, or installing a branch water system at South Peterborough, and raise and appropriate money for the same, or take any other action relating thereto.

12. To see if the town will vote to raise and appropriate money for use on the Contoocook Valley Road in accordance with the provisions of Chapter 117, Laws of 1917.

13. To see if the town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) for oiling any portion of the Greenfield road. The same to be under the supervision of the Highway Agent.

14. To see if the town will vote to raise and appropriate Two Hundred Dollars (\$200.00) for the maintenance of the Children's Skating Rink on Grove Street.

15. To see if the town will vote to improve the Street Lighting in the business section of the town, and raise and appropriate money for the same, or take any other action in relation thereto.

16. To see what action the town will take regarding the disposal of the income from the funds of the Taylor Estates.

17. To see what sum of money, if any, the town will vote to raise and appropriate toward the support of the Peterborough Hospital.

18. To see if the town will vote to raise and appropriate money for the construction of a cement sidewalk on the West side of Grove Street from its junction with the Old Dublin Road to the Railroad Crossing near the Town Tool House.

19. To see if the town will vote to grant free use of the Town Hall and Assembly Hall to the Women's Hospital Aid Society for the month of July, 1926, or take any other action in relation thereto.

20. To see if the town will vote to instruct the Selectmen to purchase a Traffic Post to be placed on the corner of Grove and Main Streets, and raise and appropriate the sum of Two Hundred and Fifty Dollars (\$250.00) for that purpose.

21. To see if the town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) for rebuilding Cement sidewalk on the South Side of Union Street, beginning at a point opposite the entrance to the Laundry, and extending easterly.

22. To see if the town will vote to raise and appropriate money for the erection of street lights in the following locations:

- (a) On the Dublin Road at the Egan Place.
- (b) On the Harrisville Road at North end of bridge,
- (c) On Cheney Avenue opposite residence of Karl Musser.
- (d) Two lights at South Peterborough.

The location of above lights to be determined by the Selectmen.

23. To see what sum of money the town will vote to raise and appropriate toward the repair of the Harrisville Road.

24. To see if the town will vote to sell the town lot at the corner of Concord Street and the Sand Hill Road, and authorize the Selectmen to give a good and sufficient deed of the same.

25. To see if the town will vote to transfer any securities held in its name to the Trustees of Trust Funds or take any other action relating thereto.

26. To see if the town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to continue to build the cement sidewalk at West Peterborough, beginning at the east end of the present cement sidewalk, going as far as the appropriation will permit, or take any other action relating thereto.

27. To see what sum of money the town will vote to raise and appropriate to be expended on the Old Dublin Road.

28. To see what sum of money the town will vote to raise and appropriate to construct a gravel road on any portion of the Greenfield Road.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and twenty-six.

ARTHUR P. SMITH
MARTIN J. KEENAN
FRED J. AMES
Selectmen of Peterborough

Chief Engineer's Report

TO THE SELECTMEN OF PETERBOROUGH, N. H.:

Gentlemen: As chief of the Fire Department I wish to submit the following report for the year 1925.

The Department responded to 63 alarms or calls during the year, 48 still or telephone calls 15 gong alarms and one out of town call for help. I would call attention of the property owners of allowing rubbish to accumulate in and around their business places and especially around garages both public and private. I would also call the attention of people who empty ashes next to side of a wooden building or put hot ashes into wooden receptacle in or near buildings. You may be in a hurry

when you are doing these jobs but take a little more time it will save you a lot of trouble in the end.

I would ask the citizens to please observe the rule of the Road that gives the Firemen the right of way when the alarm rings in, don't follow too close or try to run by them and don't park your car, trucks or teams in front of fire hydrants.

The apparatus and equipment of the Department consists of one combination chemical and hose motor truck, one fire engine hand pump, "Aquarius," one hook and ladder truck, hand drawn, three hose reels, 14 hand extinguishers, two force pumps, 48 pails, 2400 feet of 2½ inch lines fire hose, 200 feet ¾ chemical hose, 60 shovels, 10 axes, 8 lanterns and one 50 foot, two 35, one 22 and one 20 foot extension ladders, also 150 feet of wall ladders, four roof hook ladders, 2 large grab hooks with rope and chain, iron bars and hand hooks.

As forest fire warden I have issued 43 fire permits to burn brush and rubbish. I would call the attention of citizens of setting rubbish fires and going off and leaving it; your neighbors have some rights and you can not tell from what corner the wind is liable to blow.

Respectfully submitted,

T. E. DRISCOLL
Chief

Report of Chief of Police

To the Selectmen of Peterborough, N. H.:

Gentlemen: I hereby submit my report as Chief of Police from Feb. 1, 1925 to Jan. 31, 1926:

Arrests	20
Brought before court	20
Drunkenness	3
Motor vehicle violations	11
Violation of liquor law	6
Disturbance calls	39
Doors found open	6
Lodgers	8

Respectfully submitted Feb. 1, 1926

GEORGE F. MYHAVER
Chief of Police

At the last annual meeting it was voted and moved by A. Erland Goyette that a committee consisting of the three water commissioners and E. W. Jones and Frederick Phillips be appointed to investigate the proposed extension of the town water system to South Peterborough and report at the next annual town meeting and that \$300 be appropriated to defray expense. In accordance with said vote Mr. Phillips took measurements and we employed Frank A. Gay of Manchester who was the engineer when our original water system was installed. The following is his report which needs no explanation. We may add that we rather favor the "twin 6 line".

EBEN W. JONES
O. A. CUTTER
A. J. WALBRIDGE
J. F. HANNON
Committee

Manchester, N. H.,
December 18, 1925

Mr. J. F. Hannon, Pres.

Mr. A. J. Walbridge Water Committee of Peterborough, N. H.

Mr. O. A. Cutter

GENTLEMEN:

At your request I have made an examination of a proposed extension of your water system to Noone's Mills on South Grove street and report as follows:—

It has been proposed as a possible plan to use the reservoir at the mills as part of the proposed extension by supplying it with water from a pipe laid from the southerly end of the present 6 inch main on Grove street at the basket shop, and using the present pipes laid by the mill as part of the system.

This does not seem to be the best solution since the mill reservoir is 105 feet lower than the town reservoir on Scripture Hill and we cannot afford to lose this head. The Noone reservoir is not qualified or built to use as a storage for potable water, but should be entirely rebuilt or better still relocated in a more suitable location and lined with an impervious lining to avoid any loss of water from the town supply which it can ill afford.

In the lack of cross sections of the reservoir site it is not possible to make a close estimate of the cost of a new reservoir but it would be at least \$5000 and probably considerably more.

There seems to be no available site for a new reservoir at the town reservoir level within an economic distance.

It would seem to be much better to lay an extension of the water main from the corner of Bridge and Grove streets southerly to the mill.

This brings up the questions of the proper size of pipe to use and the number of hydrant streams to allow. Considering the value of the property at stake I have considered that we should allow at least four fire streams. Figuring the friction loss in the mains from Scripture Hill Reservoir to the mill on this basis, and allowing the present 6 inch pipe from the corner of Bridge and Grove streets to the basket shop to remain, four $1\frac{1}{8}$ inch streams of about 170 gallons each per minute could be used. These would be classed as feeble streams and not of considerable value in a hot fire. About one-half of the total friction loss in the entire length of main is found in the 1434 feet of 6 inch pipe between Bridge street and the basket shop.

If we reinforce this 1434 feet by parallelling it with another 6 inch main or by laying 8 inch in place of it, we would get results of four excellent $1\frac{1}{8}$ inch fire streams of about 210 gallons per minute each.

It would seem that this would be the thing to do and I would therefore recommend that we lay a second 6 inch main from Bridge street to the basket shop coming together at the south end into an eight inch pipe and starting from the junction of the 6 inch and 8 inch at Bridge street.

These two 6 inch mains would be gated at each end so that in case of a break on one the other could be used, and also it would avoid interrupting the supply while laying the new pipe.

I have, however, made two estimates, one for the additional 6 inch plan and also for taking up the 6 inch and laying 8 inch in place of it.

The friction loss in either case would not be noticeably different.

ESTIMATE FOR 8 INCH LINE

5350 ft. 8 inch pipe Bridge St., and Grove St. to R. R. station Class B at 47.5 lbs. per ft. 127.06 tons or say	128 tons	
1130 ft. 6 inch pipe in streets opposite mill Class B at 33.3 lbs. per ft. 18.8 tons or say	19 tons	
100 ft. 6 inch pipe Class B for hydrants	2 tons	
	<hr/>	
	149 tons at \$54	\$8,046 00

2-6 inch gates streets opp. mill at \$35		70 00
3-6 inch gates in hydrant branches at mill at \$35		105 00
2000 lbs. special castings at \$.08		160 00
6480 ft. trenching and laying at \$1.00		6,480 00
		<hr/>
Total		\$15,526 00
Credit 1434 ft. 6 inch pipe salvaged 24 tons at \$50		1,200 00
		<hr/>
Net		\$14,326 00

ESTIMATE FOR TWIN 6 INCH LINE AND 8 INCH LINE

1434 ft. 6 inch pipe duplicating present line	
1130 ft. 6 inch pipe streets opp. mill	
100 ft. 6 inch pipe for hydrant branches	
2664 ft. 6 inch pipe Class B at 33.3 lbs.	88,711 lbs.

3916 ft. 8 inch pipe Class B at 47.5 lbs	186,010 lbs.	
	<hr/> 274,721 lbs.	
138 tons at \$54		\$7,452 00
3000 lbs. special castings at \$.08		240 00
5 hydrants set at \$100		500 00
3-8 inch gates and boxes set at \$55		165 00
8-6 inch gates and boxes set at \$35		280 00
6580 ft. trenching and laying at \$.90		5,922 00
		<hr/> \$14,599 00

The difference in cost does not appear to be very large but probably the double six line would be better to lay as it would disturb the service the least.

If the old pipe was laid through ledge for any considerable distance, however, it would be better to relay the 8 inch in the same ditch and avoid expensive ledge excavations.

If I have omitted any point on which you may desire information I will be very glad to furnish it when desired.

Yours very truly,

FRANK A. GAY

REPORT OF SUPERINTENDENT OF SCHOOLS

TO THE SCHOOL BOARD OF PETERBOROUGH:

It would be wholly inappropriate in present supervision to make any lengthy report public. The schools of Peterborough have given to the world a long succession of boys and girls who have become splendid men and women. The problem of present supervision is to offer no less opportunities for development, and to add to the present educational facilities such changes as are needed when changed conditions are apparent.

THE TEACHING FORCE

The most desired fundamental trait of any employee is Loyalty. We believe that the present teaching staff in nearly all cases exhibits an earnestness and a loyalty to the School Board and the Town that promises much. Salary raises, and indeed re-employment at all should be made only after inspection of the record in the above respect.

THE PHYSICAL EQUIPMENT

The now assured new building for the upper six grades reduces the problem of physical equipment to a margin that can be cared for well within modest appropriations. More playground material is needed. Certain worn out desks should be replaced; and minor changes should be made in school room equipment.

More light is needed in certain rooms, and can be provided within the budget needs as presented elsewhere.

The frequently asked question, "What may I give to the schools of Peterborough?" coming from several persons is a further manifestation of the wholesome attitude that the confidence of the town has towards its school board and schools.

In no begging spirit, but in response to the questions we reply publicly as we have done privately, and list the following needs:

Orthophonic Victrolas, a Duo-Art Piano for the new high school; a motion picture projector, portable type, for all schools.

Laboratory equipment; small pianos on both the grammar school floors; a projector of still films and lantern slides, avail-

able at all times within the school buildings; Super-Zenith radio for the new high school.

TRANSPORTATION

Transportation of pupils in Peterborough is the only solution for keeping the cost of maintaining schools at all within proper tax rates. Comparison with other towns in New Hampshire proves that Peterborough is saving considerable money on this one item alone. One small town in Union No. 47 (Peterborough Union) with a total enrollment about one sixth of the enrollment attending Central building alone, has to pay about half as much for transportation of its small group of children as Peterborough does for its whole township.

ATTENDANCE

Barring such cases as need persuasion by the excellent and faithful attendance officer, attendance in Peterborough schools is average in type. There is entirely too much absence due from illness. Absences disrupt the schedule of the schools, and cause constant repetition of work that is completely unnecessary for part of the children. Repeaters are exceedingly costly of time.

Since it is manifestly impossible to expect children who are not well to attend school, health measures should be strictly attended to. Better ventilation wherever needed, proper temperature, plenty of soap and water, and the exclusion of suspected cases enter into this. It is for the purpose of reducing the financial loss due to illness as well as for the far more important purpose of GETTING THE CHILDREN INTO COMPETENT PHYSICIANS' HANDS that we suggest for the careful consideration of the school board:

A School Nurse who by careful follow-up work in the homes, by health education, and by frequent inspection of the schools can check up the work done during medical inspection, and bring about medical care. No physician feels free to insist on medical attention and care, after a physical fault or diseased condition is found. The school nurse will quietly and continually bring pressure to bear until the cases are cared for by the family physician.

The above needs no elucidation. School nurses have become so widely adopted by school systems and so enthusiastically appreciated as to have done their own wholly adequate "advertising" of the bettered health conditions where they have been employed.

SCHOOL SURVEYS

The price of successful accomplishment in school work is continual survey of existing conditions and correction of existing faults when discovered by the surveys. Peterborough schools are continually adopting more and more pre-testing and survey work, as rapidly as teachers are able to grasp the need for and the use of survey material. The majority of the teachers in Peterborough are eagerly adopting this work, and are working out a series of pre-tests of their own, to check against standardized tests.

The superintendent of schools wishes to express his most sincere appreciation of the splendid cordiality unanimously shown him by the people of Peterborough. It is a pleasure to work with and for you.

Courteously submitted

(Signed) LAWTON CHASE

SCHOOL BOARD REPORT

MARCH, 1925—MARCH, 1926

TO THE CITIZENS OF PETERBOROUGH:

The School Board has endeavored to pursue a liberal minded policy in school matters, and at the same time practice economy in expenditures.

Opinions sometimes differ, even among school board members, in regard to the limitations of official interest in the real work of the schools. But it would seem to be desirable that an office should be genuinely interested in the trust which it represents. For there is, perhaps, no other office in the small community where the public is so much at the mercy of its officials, or so affected consciously or otherwise by their wisdom or by the lack of it. Hence, the serious responsibility of the position.

In July, 1925, Leon E. Prior resigned as superintendent of the Peterborough Supervisory Union, and to the position was appointed in August Lawton Chase, A. M., of the Charlestown, Union, a New Hampshire man of experience, and with a record marked by the confidence and esteem of all whom he has served.

Now that a new High School building seems to be a near-future possibility, there is no need of explanation on this subject. It is expected that the building committee will meet in this structure all present-day building requirements for the education of the six upper grades.

The West Peterborough schoolhouse is the outstanding feature of the year under building improvements. A wing has been added to the west side, and is doubtless the most up-to-date schoolroom in town, with the exception of the portable building at the Center. This was done at a building cost of \$2500.

GIFTS

The School Board acknowledges with grateful appreciation the following gifts: to the Peterborough schools from Wm. H. Cheney Post Number 5, American Legion, a beautiful American flag with standard; to the West Peterborough school from the local D. A. R. chapter, an American flag; to the High School, English department, from Mrs. Margaret A. Clement six books in the series, "Reading with a purpose," published by the American Library Association, and to the French department, the French magazine, *Le Moniteur*; and from Miss Margaret Pierson, a picture of the Coliseum; to the South school from Mr. A. W. Noone games and equipment for sports.

It expresses to Mrs. Schofield appreciation of her liberal interest in making possible for very young children in "The Nursery School" what would be impossible otherwise as a public educational opportunity in a community of this size.

The Phoenix property is still a very important asset of the School District, and still deserves the interest and protection of the citizens. The financial report shows that rents are regularly received, and that little outlay has been made since last March.

The coming year is full of promise for excellence in supervisory standards, and certainly will be fraught with great responsibility in the building program.

Respectfully submitted,

JENNIE H. FIELD

GEO. D. CUMMINGS

SCHOOL WARRANT

To the Inhabitants of the Town of Peterborough, Qualified
to vote in District Affairs:

You are hereby notified to meet at the Town House in said District on Wednesday, the 3rd day of March next, at 7.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose two Auditors for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.
6. To hear the reports of agents, auditors, committees, or officers heretofore chosen.
7. To raise and appropriate such sums of money as may be necessary for school purposes to complete the school year 1925-1926.
8. To raise and appropriate such sums of money as may be necessary for school purposes for the school year 1926-1927.
9. To raise and appropriate such sums of money as may be necessary to make repairs on school houses or other school property for the school year 1926-1927.
10. To see what sum of money the District will raise and appropriate for Medical Inspection in the schools for the school year 1926-1927.
11. To see what sum of money the District will raise and appropriate for salaries of school officers for the year 1926-1927.
12. To raise and appropriate such sums of money as may be necessary for Insurance on school houses of the District for the school year 1926-1927.

13. To see if the District will vote to rescind so much of the vote passed at the annual school meeting in said district in 1925, which fixed November 1, 1925 as the date of the bonds which said district voted at said annual meeting to issue; and said bonds shall bear the date of May 1, 1926 as the date of their issue, and the School Board is hereby authorized to issue said bonds.

14. To see if the district will authorize the School Board to change the denominations of the Bonds as voted in the District meeting of 1925 if in their judgment it seems advisable.

15. To see what sum of money the District will raise and appropriate toward paying School District debt and interest.

16. To see if the District will vote to sell or otherwise dispose of the Phoenix Mill property or any part thereof and give a good and sufficient deed of the same or take any other action relating thereto.

17. To choose agents and committees in relation to any subject embraced in this warrant.

Given under our hands this sixteenth day of February, A. D. 1926.
